7. Story Web for The Three Little Pigs

**CREATING - Coming up with new ideas**

8. A gadget for the pigs so that the Big Bad Wolf cannot find them

**EVALUATING - Sorting out the good from the bad**

9. Building a house with bricks

Yellow Hat Thinking (Good)	Black Hat Thinking (Bad)
1 Wolves can't blow down brick houses.	1. It takes a lot of skill to stack the bricks properly.
2. Brick houses are much warmer than houses made of hay and straw.	2. You have to buy or make bricks - you can find sticks lying around in the forest.
3. The rain doesn't get in.	3. Brick houses are not very good in earthquakes.

**10. My Rating**

I would give this story 7 out of 10. It was good that the Big Bad Wolf got what was coming to him and the 3 Little Pigs can now live happily ever after, but I didn't think it was very nice the way they boiled him in the pot of boiling water. That was a bit gruesome.
